Other volunteer opportunities with Hartford City Mission's Middle School Ministry

- ***Donate snacks*** – (healthy or sweet!) for roughly 10 - 15 teens and volunteers for Saturday night club!
- ***Donate prizes*** - new toys, gadgets, games, and fun items appropriate for middle school students. These items are used as rewards for club participation and game prizes.
- ***Provide Transportation*** - Provide rides to teens either before club begins at 6:00pm or when club ends at 8:00pm.
- ***Cook a meal*** – Cook a meal for our club meetings. Since most teens only eat school lunch and don't get regular meals at home, we look to connect and deepen relationships through sharing a meal. Volunteer cooks or provide a full meal for 10 -15 people.
- ***Become a leader*** - We invite you to build relationships with teens and have a godly impact in their lives. Jesus entered into our world and we as leaders share His mission by entering their world with love, hope, and passion!!!
- ***Join Youth Committee*** - Help support/ encourage staff & volunteers of our teen ministry as well help promote the ministry in the local area in order to be spiritually and financially healthy.

If you are excited to serve in one or more of these ways, please contact Dave Ambrose.
