

STEM Station Teacher Job Description

The **STEM Station teacher** is responsible for planning and teaching STEM station each day with a connection to the camp curriculum in a way that helps campers to understand their inherent value as children of God. They are also responsible for the safety and well-being of the campers while in their care. All station teachers are expected to embody our values of empowering leaders by guiding Leaders in Training (L.I.T.s) in learning to lead. Station leaders may also be asked to cover other groups and stations throughout the day.

Reports to: Noah Site Manager

Qualifications:

- You must be a Christian
- You must be presently an active member of or regularly attend a Christian church
- You must be 18 prior to the start of training
- You must have a passion for working with children in urban, under-resourced communities
- You must be highly self-motivated, organized, flexible, and able to work independently
- Preferred: Experience leading elementary and middle school-aged children in STEM

Responsibilities:

- Develop positive, discipling relationships with children in camp
- Work with camp team including Team Leaders, L.I.T.s and leadership staff in implanting the curriculum and behavior system to ensure a safe, fun environment
- Help guide the L.I.T.s to have a deeper understanding of teaching and leadership
- Know, enforce and follow all safety guidelines at Camp Noah
- Know ALL emergency procedures related to Camp Noah
- Participate in regular camp team meetings
- Plan, organize, and execute curriculum for ALL age groups
- Manage STEM budget
- Teach and lead the STEM lessons and activities (small group)
- Work with students to create “products” sharing what they have learned, including some type of presentation at the end of the year celebration
- Identify any supply needs and notify Noah Site Manager
- Alert leadership staff of any building/maintenance issues
- Keep station room clean and organized
- Have all supplies set up and ready to go before the start of camp each day
- Other duties that may be assigned

DATES: Training: July 1st, July 5th-9th, Camp: July 11th- August 19th **HOURS:** 8:30am-5:30pm (with 30 min break)

COMPENSATION: \$500/week
